	<b>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers.</b> <i>Include statements related to these programs as applicable.</i>
8.0	<b>Capital Improvements.</b> Please complete Parts 8.1 through 8.3, as applicable.
8.1	<b>Capital Fund Program Annual Statement/Performance and Evaluation Report.</b> As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	<b>Capital Fund Program Five-Year Action Plan.</b> As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	<b>Capital Fund Financing Program (CFFP).</b> <input checked="" type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	<b>Housing Needs.</b> Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.  The consolidated plan of the City of Brunswick examines the housing needs of the target population (extremely low, very low, low income) within the City as defined by HUD. These households make up 46% of the total households within the city. Analysis of the Brunswick Housing Authority's waiting list only confirms this data. There are a total of 608 families on our public housing and Section 8 waiting list. Of those numbers 82% are considered extremely low income, 17% very low and 1% low income. The racial/ethnic breakdown as reflected on the waiting list indicates that 78% identify themselves as African-American, 20% Caucasian, and 2% Latino. Our current national economic conditions as well as the size our our waiting list indicate that the need for affordable housing will only increase in the foreseeable future.
9.1	<b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</b> In order to address the housing needs as stated in 9.0 above, we plan to employ effective maintenance and management policies to minimize the number of public housing off-line, to reduce turnover time for vacated public housing units, and to monitor our voucher program diligently to maximize lease-up without going over budget.

**Additional Information.** Describe the following, as well as any additional information HUD has requested.

10.0

- (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. **The Brunswick Housing Authority is meeting its stated goals and objectives. Many of our goals are daily works in progress and are an on-going part of our mission. A list of our on-going goals are: Reduce PH Vacancies, Improve PHAS score, maintain our current SEMAP score of 100%, Increase customer satisfaction, Concentrate on efforts to improve management functions, Modernize PH units, Conduct outreach to landlords, Deconcentration, Increase the number of employed persons, Provide or attract supportive services to improve assistance recipient's employability, Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. We have maintained a MOU with our local police department to provide designated police officers to be dedicated to the security of our public housing properties. We have worked with the Police Dept. and their special services division and have established a place on one of our sites for a sub station for the whole special services division. One of the goals that we have met in the past five years but had to rescind was the increase in payment standards in the HCV Program. Because of the current financial condition of this program nationwide and our unwillingness to terminate families from our program, we did have to lower the payment standard. We are optimistic that the financial condition of the HCV Program will greatly improve, and we will be able to return to the higher payment standard. The final goal that we struggle with is to maintain resident involvement in resident councils. We have implemented a "Personal Responsibility" workshop as part of the annual review process for our public housing residents. One of the goals of this workshop would be to encourage residents to become more involved in their neighborhood and to encourage involvement with the BHA and the decision making process.**
- (b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" (1) A change to a development account number on the capital fund program in excess of the greater of 10% of the total grant amount or \$100,000.00.  
(2) A change in the selection preferences for admissions to the Public Housing or Section 8 Programs.
