### Mercer-Altama Resident Gets a Job Plus....

*Samantha Barnwell, Case Manager  
and Duwayne Singleton, Resident*

Mr. Duwayne Singleton, Mercer-Altama resident, wanted to supplement his income to improve his current living status. Mr. Singleton entered the Job Plus program and is now employed at the port as a driver. Mr. Singleton stated "If you want an opportunity to better yourself the Jobs Plus program is where you need to go. This program is amazing and they really care about where the residents are at. My case manager helped me get a job at the port and the program helped me pay for my TWIC badge, if I can do it anyone can do it."

## Residents Council Corner

Current and future resident leaders attended the annual Georgia Housing Authority Redevelopment Association (GHARA), Resident Leadership Workshop in North Augusta. This year's workshop focused on having **Purpose**, taking advantage of your **Opportunities**, **Wealth** is more than just money, **Empowerment** is essential to being a leader, and **Resilience** is the key to being successful. Our residents have the **POWER** to transition to greater heights. BHA attendees will be charged with bringing back what they have learned and put it into action in their respective communities. Organizing and leading the change they want to see as they galvanize their communities to change for the better. **If you are interested in starting your community's resident council please contact Commissioner Denise Hayes , at [haynesdenise1986@gmail.com](mailto:haynesdenise1986@gmail.com)**
